The show features solos, duets, and ensemble numbers, a live orchestra, and video projections to highlight the songs. Proceeds will help defray the cost of replacing the stage floor in Morgan Park Academy's Alice & Arthur Baer Theater, which had been in place since the theater first opened in 1969.

The Beverly Theatre Guild has scheduled a three-show "Killer Season" for 2009 – 2010, after presenting *Broadway: Our Way!*, which includes the hit musical *Little Shop of Horrors* (October 30 – November 1, 2009), the classic comedy *Arsenic and Old Lace* (January 29 – 31, 2010), and the thriller *Deathtrap* (April 30 – May 2, 2010).
