FAHRENHEIT 451, February 15-17, 2019

Based on Ray Bradbury's internationally acclaimed novel, this drama is set in a dystopian future. *Fahrenheit 451* refers to the temperature at which paper ignites. Guy Montag is a fireman in a world where television rules and literature is on the brink of extinction. Firemen in his world start fires rather than put them out. This powerful drama recounts Montag's inner struggle. He has worked as a civil servant for ten years burning books but becomes increasingly unsure about what he is doing and about his vegetable-like existence. When he meets 16-year-old Clarisse, who is filled with strange ideas, he falls into a dangerous and combustible situation. Now he must choose between continuing his nonexistent existence and risking everything for the right to think. Produced by special arrangement with Dramatic Publishing, Woodstock, IL.

FOOTLOOSE, May 17-19, 2019

One of the most explosive movie musicals in recent memory bursts onto the live stage with exhilarating results. When Ren and his mother move from Chicago to a small farming town, Ren isn't prepared for the rigorous local edicts, including a ban on dancing instituted by the local preacher. When the reverend's rebellious daughter sets her sights on Ren, her roughneck boyfriend tries to sabotage Ren's reputation. To the rockin' rhythm of its Oscar and Tony-nominated top 40 score, *Footloose* celebrates the wisdom of listening to young people and guiding them with a warm heart and an open mind. Music by Tom Snow, lyrics by Dean Pitchford, stage adaptation by Dean Pitchford and Walter Bobbie.

Produced by special arrangement with The Rodgers & Hammerstein Organization, NY, NY.
